

FREQUENTLY ASKED QUESTIONS (FAQ)
ON MOVEMENT CONTROL ORDER
MINISTRY OF INTERNATIONAL TRADE AND INDUSTRY
NO. 4

SECTION 1: GENERAL QUESTIONS ON APPLICATIONS

- 1. My company has obtained MITI's approval to operate during Phase 1 & 2 of MCO. Will my application to increase the number of employees be processed? If yes, would the first approval I received still be valid?**

Your application will still be processed. However, the result is dependent on the company's justifications and Government's conditions from time to time. While waiting for MITI's approval, companies can only operate within the workforce capacity stipulated in their earlier application's approval.

- 2. To start the application, does the "full name" box refer to the company name or applicant's name?**

For the registration page, please fill in the name of the person who will be performing the registration.

- 3. What if I do not have a manufacturing license?**

Please put 'N.A' MIDA's manufacturing license checkbox.

- 4. What if my company does not have any company registration number?**

If you do not have any company registration number (SSM or for local agencies), please choose the checkbox that states '*Saya adalah pemilik perniagaan dan*

belum berdaftar dengan mana-mana pihak berkenaan'.

5. Do I need to provide the details of all my workers using the template in the system?

Yes. The details have to be filled completely as required using the format in CIMS 2.0 only.

6. What are the Regulatory Agency/Profession Body License No. and the Local Authority License No.?

A. Regulatory Agency/Profession Body License No.

This applies to companies that are regulated by an agency or professional body, such as engineering (regulated by BEM) or construction (reg. by CIDB). If this does not apply to you, please leave it blank.

B. Local Authority License No.

This refers to your local authority, such as Majlis Bandaraya, Dewan Bandaraya and others.

7. If I want to make any corrections to the application, do I need to re-submit?

If you want to re-submit or request for correction of an application, follow these steps:

- I. Please email your request to updatecims2.0@marii.my, stating the reasons for your re-submission.
- II. The system administrator will process your request and you can re-submit your application with the latest amendment.
- III. Perform the required amendments and resubmit your application.

This request can only be done once. Please ensure all your information is correct and accurate before re-submitting your application

8. I can't find my sector in the list in CIMS 2.0, how do I apply?

If your sector/subsector is not found, try changing the selection of your cluster. If your sector/subsector is still not found, this means your sector is not listed in the list of additional sectors allowed to operate during MCO3.

9. I don't see the "Customers and Suppliers list" section anymore, Do I need to refill the "Customers and Suppliers list" section?

The "Customer and Supplier List" section is no longer required in the application system. Thus, you do not need to re-submit your application if it is not submitted.

10. Why do I have trouble uploading the list of workers on the application page?

This could be due to the template you're using is not as per the template in the system. If you have submitted/uploaded a Worker List file without an NRIC/Passport column, follow these steps:

- I. Please email your latest worker list to updatecims2.0@mariii.my, and state that you are sending in the new worker list.
- II. The system administrator will process your request and you can re-submit your application with the latest amendment.
- III. Perform the required amendments and resubmit your application.

This request can only be done once. Please ensure all your information is correct and accurate before re-submitting your application

11. Do we need to be on the VPN platform in order to apply for the application?

No, a VPN platform is not necessary

12. How do I want to know if my application has been accepted ?

If your application status is BAHARU, it means that it has been submitted and will be processed within 5 working days.

13. Why is my QR code is not accessible?

The QR code is password protected so only the authorities can access the information.

14. If I have been approved by the Ministry of Health / Ministry of Agriculture and Food Industries / Ministry of Domestic Trade and Consumer Affairs / Ministry of Primary Industries and Commodities / Ministry of Housing and Local Government / Local Authority to operate during MCO period, do I need to reapply?

All the sectors listed in the Government Gazette and have been granted the approval from relevant Ministries, are allowed to operate. However, the companies with these prior approvals are encouraged to re-apply to acquire MITI's approval letter with a QR code.

SECTION 2: BUSINESS OPERATIONS

15. My company has the approval to operate. Do my workers need to go for a health screening before being allowed to attend work?

Companies with registered workers list which has been approved must undergo Covid-19 screening at Social Security Organisation (SOCSO) panel health clinics available in Peninsular Malaysia. SOCSO is currently developing the guideline for the screening and it will be announced soon.

16. Do I need to cover the cost of the screenings for all my workers?

No, SOCSO will be covering the cost of your workers' Covid-19 screening.

- 17. My company is operating with MITI's approval, does my company need to stop our operation until all the workers have undergone the screening?**

No. However, companies must ensure the Covid-19 screening is done according to the guidelines and condition to be announced by SOCSO.

- 18. Does MITI have a channel for employee to lodge a complaint against employer that violates the SOPs?**

Yes. Such complaint can be channelled to MITI via email at covid19sec@miti.gov.my with "ADUAN" as the email title.

- 19. Can a third-party sanitisation company allowed to operate using my company's approval letter?**
