2025 MALAYSIA MEDTECH INDUSTRY SUMMIT

ABOUT AMMI

Formed in 1989, the Association of Malaysian Medical Industries (AMMI), represents leading medical device manufacturing companies in the medical technology industry in Malaysia. AMMI currently has 98 member companies and collectively, they account for more than half of the total export revenue for “Made-in-Malaysia” medical devices.

AMMI companies continue to be the growth base of the medical device industry in Malaysia and consist of three main types of industry players: manufacturers; suppliers of raw materials and services to the medical devices manufacturing companies; and importers and exporters of medical devices, all of whom employ a sizable workforce in their production facilities.

AMMI MEMBERS SHARE A COMMON COMMITMENT TO QUALITY AND ARE REPUTABLE INTERNATIONAL AND LOCAL FIRMS THAT STRICTLY ADHERE TO THE QUALITY MANAGEMENT SYSTEM CODES LAID DOWN BY GOVERNMENTAL AGENCIES

Malaysia as the preferred global manufacturing and services location for medical technology.

VISION

MISSION

Promote and strengthen manufacturing and services operational excellence in Malaysia through our strategic pillars.
